

## Mostafa Soliman

NEW YORK ATTORNEY / AUTHOR / LEGAL AI EDUCATOR

### A working lawyer's perspective on responsible AI.

Mostafa Soliman is a New York attorney, author, and legal AI educator who helps lawyers and legal organizations use artificial intelligence responsibly and practically. His forthcoming book on artificial intelligence and attorneys' ethics will be published by the New York State Bar Association.

His litigation experience includes complex personal-injury, premises, negligence, and New York Labor Law matters. His education and advisory work focuses on verification, supervision, confidentiality, and professional judgment.

### Selected speaking topics

**Legal ethics and artificial intelligence** - Competence, confidentiality, supervision, and responsible use.

**AI in litigation and legal workflows** - Evidence authentication, research, drafting, and citation integrity.

**Responsible adoption in legal organizations** - Practical governance, training, and implementation.
